This image shows the completed assembly for step 28. The structure is a tall, grey Technic tower with a red base. A minifigure with a yellow head and red torso is positioned inside the tower, holding a long yellow pole. A blue flag is attached to the top of the tower. The tower has several arches and a central opening. The base is made of red Technic bricks. The assembly is shown from a side-on perspective, highlighting the internal structure and the minifigure's position.
